

Haroun Mahmoud Midaikhir

EXECUTIVE SUMMARY

Haroun Mahmoud Mudikhir is a **Sudanese leader and administrator** with **more than twenty-five years** of professional and political experience in **governmental, civil, and community work**. His career began at the **Tax Authority**, where he held various roles for **over two decades**, gaining deep expertise in **financial management, strategic planning, and organizing institutional structures**, in addition to completing several **advanced courses in taxation and administration**.

He later transitioned to **political and community work**, holding prominent leadership positions, including **official spokesman** and then **Deputy Chairman** of the **Revolutionary Awakening Council**. Subsequently, he was seconded as an **advisor to the commander of the Rapid Support Forces (RSF)** due to his experience in **handling sensitive assignments and leading strategic committees**.

In **2024**, he became the **President of the United Civil Forces (Qimam)**, alongside his membership in the **leadership body of the Tasis Alliance**. He has also been involved in **establishing and developing civil administrations** in several Sudanese states, including **Gezira and West Kordofan**. He combines **solid administrative experience** with a **balanced political vision**, which has qualified him to **lead civil institutions and manage complex initiatives** that support **stability and community development**.
