

Nima Mokhtar Mohamedien

EXECUTIVE SUMMARY

An experienced educational and community leader with over 36 years in teaching, school administration, and **civil society work**. Holds a Bachelor's degree in Mathematics and Physics from the Open University of Sudan. She has deep expertise in curriculum development, teacher training, and improving educational environments.

She served as Deputy Principal of **Al-Mogran** Girls' School in Khartoum, Mayor of the Native Administration in **Amro**, and Secretary of Women and Children's Affairs for the Sudan Liberation Forces Alliance, alongside membership in the leadership body for government formation.

Neama has led initiatives for tribal conflict resolution, orphan care, raising community awareness, supporting productive families, and combating illiteracy. Her vision focuses on building a stable civilian government that develops education, empowers youth and women, and promotes the sustainable use of natural resources to achieve stable economic growth.
